Dear Mr. Serfass,

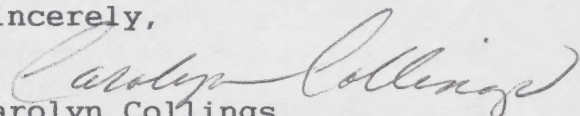

As exhibit coordinator for the Missouri State Archives, I am writing to you in regard to your response to Ken Winn concerning the 1921 Missouri Centennial Half Dollar. He sends his thanks.

The information provided by the enclosures will be extremely helpful for our exhibit, and for our reference files. The writings of David Bowers, as the latest and most comprehensive with more detail on legislative maneuvers, etc., would also enrich our files.

We would be pleased to work with you, and the Eric P. Newman Numismatic Education Society for an exhibit loan of the Half Dollar. The coin will be displayed in a locked case. We will provide a courier for security. Enclosed, for your examination, is a sample of the form we have previously used for loans of documents and objects. Loan time would be from March to September 1993. Please document the condition before we accept responsibility, so that you can compare notes upon the return of the coin.

We are excited about the upcoming exhibit, and the opportunity to display the coin. Your cooperation and assistance is appreciated. I will call to arrange a specific date. Please call me at any time if you have questions.

Sincerely,

  
Carolyn Collings  
Archivist, Exhibit Coordinator (314) 751-7516
